NEW THOUGHT CENTER MEETS.

Wednesday evening, the subject discussed was "How to Distinguish Between Man-made and God-made Laws." It was explained that three tests preeminently may be applied: "First, Is the law based on spiritual or mental causation, for God is spirit and creates in His own likeness? This is not denying physical phenomena nor their laws, but Opposition to Scheme Is Developing. affirming them to be effects subject to our intelligent control, not first causes. Second, Does the cause ascribed work from within out, or does it assign causation to be external and physical, and the effect to be mental and spiritual? Third, Is it a law of love?"
"Whatever laws we make for ourselves, " it was declared, "we must keep or suffer in their breaking." Dr. Charles Brodie Patterson of New York is announced to speak at the New Thought Center on "The Living Magnet" Sunday evening. The subject of the next regular Wednesday evening meeting will be "Overcoming."
